

FOUNDATION IN SCIENCE PROGRAMME

Your first step towards a new world

FOUNDATION IN SCIENCE PROGRAMME MQA/FA0011

Mode of study: FULL-TIME Duration: 1 years

The Aseana Foundation in Science Programme gives students a proper grounding for a science-related degree, especially in the areas of medicine and health sciences. The curriculum is designed to stimulate critical thinking and build a life-long love for science via interactive workshops, seminars, experiments and lectures.

Subject to specific entry requirements, students who successfully complete the Foundation in Science programme will be able to entry any Aseana Diploma/Degree courses or other Malaysian universities as it is a MQA accredited programme.

Entry Requirements

Pass English and Bahasa Malaysia
and obtain **5 (five) credits**
(Must credit Mathematic + 2 Science Subjects)
